

Montana Homeschool Quick Start Guide

Overview

Montana requires an annual Notice of Intent, minimum hours, and basic health/safety compliance.

Step 1: File Notice of Intent

Submit annually to the County Superintendent. Include the child's name and address.

Step 2: Plan Required Hours

720 hours for grades 1–3, 1,080 hours for grades 4–12.

Step 3: Choose Curriculum

Any curriculum is allowed. Include English, math, science, social studies, and health.

Step 4: Maintain Records

Required: attendance and immunizations. Recommended: work samples and progress summaries.
