

Wyoming Homeschool Quick Start Guide

Overview

Wyoming requires an annual curriculum plan submitted to your district. No testing or hour requirements.

Step 1: Prepare Curriculum Plan

List how reading, writing, math, science, and social studies will be taught.

Step 2: Submit to School District

Send your curriculum plan annually to the district office. Keep confirmation.

Step 3: Choose Curriculum

Any method is acceptable: boxed sets, online, co-ops, or parent-designed.

Step 4: Maintain Recommended Records

Not required, but keep work samples, reading lists, and progress notes.
